**Points Accumulation**

- \* Membership Activity points should not be confused with points required to gain probationary or full membership during the application process
- \* All Full Members are required to obtain Membership Activity points annual until they attain either 15 years as consecutive years as a full member or legacy/life/honorary membership status
- \* Full Membership Activity points are calculated on an annual cycle from 1 April to 31 March the following year, inline with the membership subscription cycle
- \* 6 Activity Points annually are required to maintain full membership status and should be obtained through a mix of sailing (as per RED table) and Training & Volunteering (as per GREEN table) activities.
- \* Membership Activity points should be collected individually, on the Activity Points card, signed off by the authorised signature AND stamped by the relevant DOSC personnel
- \* Membership Activity points can ONLY BE collected on the day of the activity and sign off and stamping are at the requirement of the individual to obtain. No backdating will be permitted
