Version Number	Date Issued	Notes
Version 1	18 Oct 2024	

[NP] denotes that a breach of this rule will not be grounds for a protest by a boat nor a request for redress (change RRS 60.1(a) & RRS 62.1(a)).

1. INTRODUCTION

1.1. ORGANISING AUTHORITY

The Organising Authority for the 2024 Dubai to Khasab Offshore Sailing Race (The D2K Race) is the Dubai Offshore Sailing Club (“DOSC”). The race headquarters will be hosted at DOSC, ‘Regatta Headquarters’.

The D2K Race is held with the assistance and support of the Oman Authorities, Oman Sailing Committee, Oman Sail, Waterfront & Marina Services (WAMS) and OMRAN.

1.2. THE RACE

The D2K Race will be from Dubai to Khasab and the sailing area is the waters of the Arabian Gulf.

In the sole discretion of the Organising Authority, there may be course or crew restrictions imposed in response revised Dubai Maritime City Authority guidelines, extreme weather or events and activities occurring in the region. Course restrictions may be included in the Sailing Instructions or as amendments to the Sailing Instruction up to 3 hours prior to the start and will be communicated by any official means and shall not be subject to requests for redress from boats. This changes RRS 60.1(b), 62. The provisions of any course restrictions in this Notice of Race, including for International Marine Exclusion Zones, Oil Rig exclusion zones, Traffic Separation Schemes or other Restricted Areas shall be considered obstructions and such areas will be designated in the Sailing Instructions.

2. RULES AND REGULATIONS

2.1. UAE LAW

This Notice of Race, and the terms of the contract created by entering a boat into any race or event governed by this Notice of Race, shall be governed by and construed in accordance with UAE law. Any dispute which cannot be resolved under Part 5 of the Racing Rules of Sailing shall be referred to the exclusive jurisdiction of the UAE Courts.

2.2. RACING RULES OF SAILING

The rules as defined in the Racing Rules of Sailing (RRS): <https://www.sailing.org/racingrules/>

2.3. APPENDIX WP (Rules for racing around waypoints)

Appendix WP will apply when specified in the Sailing Instructions.

2.4. APPENDIX T (Arbitration)

Appendix T (Arbitration) will apply except that Appendix T1 and T2 are amended so that arbitration may be applied for breaches of other rules.

2.5. APPENDIX RV (Reduced Visibility)

Except when otherwise stated in the Sailing Instructions, the rules of RRS Part 2 shall not apply between the times of sunset and sunrise as stated in the Sailing Instructions and shall be replaced with RRS Appendix RV or by Government right-of-way rules. For the purposes of this event the time of sunset shall be considered 18:30 and the time of sunrise 06:30. A boat may take a time penalty as specified in the Sailing Instructions when she may have broken this rule while racing. (See NoR 13.1)

2.6. WORLD SAILING TEST RULE DR21-01 (Change the definition of Start)

The definition *Start is changed* as follows:

Start A boat *starts* when her hull having been entirely on the pre-start side of the starting line, and having complied with rule 30.1 if it applies, any part of her hull crosses the starting line from the pre-start side of the course side either;

- (a) at or after her starting signal, or
- (b) during the last minute before her starting signal.

When a boat *starts* in accordance with item (b) of the definition *Start*, she may return to the pre-start side of the line to comply with item (a) of the definition of *Start*, but, if she does not the starting penalty shall be one hour added to the boat's elapsed time.

2.7. PROTEST HEARINGS

RRS 63 is modified to permit hearings to be held at any location and by any method of communication considered appropriate by the protest committee before, during and after the race.

2.8. RRS 52, MANUAL POWER

Automatic and wind vane devices for steering shall be permitted for double handed entries only. This changes RRS52.

Stored power is permitted in all entries for the adjustment or operation of running rigging. This changes RRS 52 and means all boats comply with IRC Rule 15.2 (d).

2.9. USE OF ENGINE (DP)

When a boat uses its engine for propulsion e.g. to avoid collision, in a grave emergency or as per NoR 4.3 Temporary Discontinuance of Racing, the facts shall be reported on her finish declaration form.

Notwithstanding the above, a boat's elapsed time will be counted from the starting signal until she finishes. If stopovers and/or timing gates/lines are included to determine results at intermediate points in the course a boat's elapsed time will be counted from the starting signal until the recorded time passing the timing gate/line or the requirement of the stopover provisions have been followed.

2.10. NATIONAL AUTHORITY PRESCRIPTIONS

No National Authority prescriptions will apply.

2.11. CLASS RULES

The Rules and Regulations of appropriate One-Design and/or *Class Rules*, and IRC Rules Parts A, B & C, Rules for IRC, including Double-Handed boats, except that IRC Rule 22.4.2 will not apply.

2.12. 2022 WORLD SAILING OFFSHORE SPECIAL REGULATIONS (OSR)

The World Sailing Offshore Special Regulations, Category 3 with a Category 2 compliant life raft; any amendments thereto for 2024 and RORC prescriptions shall apply. *Where details of Offshore Special Regulations cannot be met the Committee may accept an alternative.*

2.14. SAILING INSTRUCTIONS

3. ADVERTISING [NP]

- 3.5. Any sponsorship deemed contrary to Islamic principles shall not be permitted. Any advertising which is political, religious, racial or propaganda shall not be displayed on a **boat, personal equipment** or any other object on board a **boat** while Racing.
- 3.6. In the event of competitors displaying any advertising deemed by the race committee as not complying with these requirements, they will have their entry rejected or cancelled prior to racing. If the breach occurs during the racing, the penalty will be disqualification by the race committee that is not excludable without a hearing. This shall apply to all races during which the advertising was displayed or, if not during a race, the penalty shall apply to the race sailing nearest in time to that of the incident. In addition, action by the protest committee under RRS 69 "Misconduct" will be considered. This changes RRS 35, 60, A4 & A5.

4. RESPONSIBILITY

4.1. THE PERSON IN CHARGE

Yacht racing can be dangerous. The attention of **Persons in Charge** is drawn to RRS Fundamental Rule 3: "The responsibility for a boat's decision to participate in a race or to continue racing is hers alone" and to Special Regulation 1.02.1 which begins: "The safety of a yacht and her crew is the sole and inescapable responsibility of the Person in Charge...."

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk.

By taking part in the event, each *competitor* agrees and acknowledges that:

- a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- b) they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- c) any crew member under the age of 18 shall provide an approved waiver signed by the parent or legal guardian permitting them to participate in the event on the named boat and with the named skipper.
- d) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omission;
- e) their boat is in good order, equipped to sail in the event and they are fit to participate;

- f) the provision of a race management team and other officials and volunteers by the event organiser does not relieve each competitor of their own responsibilities;
- g) they are responsible for ensuring that their boat is equipped and seaworthy so as to face extremes of weather; that there is a crew sufficient in number, experience and fitness to withstand such weather; and that the safety equipment is properly maintained, stowed, in date and familiar to the crew.
- h) DOSC, its sponsors, and other Organising Authorities accept no responsibility or liability for loss of life or injury to members or others, or for the loss of, or damage to, any vessel or property.

4.2. STARTING AND CONTINUING TO RACE

The Race Committee will make starting signals unless in their opinion it is manifestly unsafe for any of the boats entered to remain in the vicinity of the starting line. Each boat shall exercise her responsibility under RRS Fundamental Rule 3 and decide whether or not to start or to continue to race.

4.3. TEMPORARY DISCONTINUANCE OF RACING

4.3.1. If a boat temporarily stops racing, they shall immediately inform the Race Committee explaining the circumstances and their plan by telephone, text message, or email (sailingadmin@doscuae.com).

4.3.2. If a boat makes fast in order to take shelter or in an emergency, the crew may temporarily leave the boat to handle her moorings.

4.3.3. If she uses her engine for propulsion she shall, on re-joining the race, return to the spot where she began to use her engine, turn off her engine and continue to race from that spot. She shall report the circumstances on her Declaration Form. This changes RRS 42, 45 and 48.

4.3.4. A boat that is secured in harbour may receive any assistance necessary to effect repairs. This changes RRS 41 & 48.

4.4. RACE DECLARATION(S)

No boat will be accepted as an entry unless the Person in Charge has, before the start of the race, signed the official declaration and waiver. The Organizing Authority reserves the right to require a signed declaration and waiver from each crew member.

4.4.1. SAFETY AND LIFE SAVING EQUIPMENT

- a) *Competitors'* attention is drawn to RRS 1.2 life-saving equipment: "Each *Competitor* is individually responsible for wearing a personal flotation device adequate for the conditions."
