***If a mark happens to be missing (not visible or more than 500m from the given coordinate), competitors must sail around the coordinate given.**

Finish @ Fixed line

This race will be finished at a fixed line. If there is no finish boat, you will need to self-declare.

If there is a finish boat flying a blue flag anchored at the fixed line, this boat will take your finish time when you cross the line between the boat and the 'Finish' pin.

When no finish boat is present, competitors must take their own finish time using GPS time and send it to sailingadmin@doscuae.com within 30 minutes of finishing in the HH:MM:SS format.

When there is no 'Finish' pin utilise the GPS mark coordinate.

The line extends 100m/0.05NM from the end of the 'Finish' pin at a bearing of 025° and boats should finish within this distance.

'Fixed Line, N-S' denotes crossing the line from North to South.

Name	Latitude	Longitude
'Finish' pin (Laid Inflatable)	25° 8.913' N	55° 9.618' E
